COMES QUICKLY

Don't Have to Wait For Weeks. A Marshall Illustration.

Waiting is discouraging. Prompt action pleases everybody.

A burden on the back is a heavy weight.

Hard to bear day after day. Lifting weight, removing the burden.

Brings appreciating responses. Marshall people tell of it. Tell of relief that's quick and sure.

Here is a case of it. Mrs. J. H. Simms, 564 Washington St., Marshall, Mo., says: "I procured Doan's Kidney Pills at Franklin's Drug Store a few months ago and used them for kidney complaint that had bothered me for months. I had a severe backache and the kidney action was irregular. The use of Doan's Kidney Pills gave me relief. This remedy has my endorsement."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Smith-Piper

At the home of the bride's parents, Mr. and Mrs. Alonzo Piper near Hardeman Tuesday August 20, an elegant luncheon was served in honor of the bridal pair whose wedding took place the following day in Marshall at the residence of Rev. Wharton, the officiating minister. The bride being Miss Ruth Elizabeth Piper, the youngest daughter and the groom, Albert Mitchell Smith, son of Mr. and Mrs. W. O. Smith of Mount Washington, Mo. The dining table was prettily decorated in green and white festoons and tiny maple leaves. Maitly separated each plate. The luncheon consisted of ham and chicken sandwiches, salads, pickles, ice tea, ice cream, black and white cake, candies, fruit and coffee. Only a few relatives were present, but it fully enjoyed the evening and congratulated the young couple and wished them all the happiness possible.

The bride's wedding dress was a beautiful cream taffeta silk with trimmings of silk fringe ribbon and lace. Her going away costume was a pearl grey suit with white hat, shoes and gloves. Mr. Ward Piper, brother of the bride and Miss Marie Piper were the attendants. Ruth is a lovable girl and never looked more beautiful than on this occasion. She will be greatly missed in this community as she belonged to the younger social set of Hardeman and seems that a mere child is entering wedlock. The groom is well worthy of his choice, being a gentleman of excellent qualities and has for the past few years been connected with the C. & A. Railroad at Slater but of late has been with his parents at Mt. Washington.

The handsome couple left on the 2:15 train for Kansas City, their future home. They have the best wishes of this community for a long and happy life.

The sun would shine very bright, but just step in the shade of a tree or house and one would soon realize the breeze was off those snow capped mountains. The rest did me much good but could not stay longer as business called me home, but am thinking of going to stay six months or a year until my health is restored. Denver is a beautiful city to live in. I returned Thursday so please send my paper to me at Sweet Springs."
